What does being a U3A Committee member mean?

The Committee manages our finances, legal obligations, publicity, forward planning and risk management. It plans and coordinates the educational program, social and occasional fundraising activities, with the help of program leaders and other volunteers.

It liaises with other U3A groups, other local organisations, and occasionally with all levels of government.

We meet at least six times a year, with specific meetings devoted to financial planning, the educational program for the coming year, and business at the AGM.

Committee members need specific skills related to any of these areas, and good ideas for programming.

As the committee carries out much of its work by email, members need to be able to use common computer programs and have adequate access to Internet services.
